Organizing Committee

INIZIARO 2025 is the culmination of a collective effort from dedicated individuals, esteemed faculty members, and enthusiastic students, working together to ensure the success of this transformative event. The organizing committee is composed of the following members:

Core Organizing Members

- **Dr. Roy Stephen**
Dean of Faculty
College of Agriculture
Vellayani
- **Dr. K. N. Anith**
Associate Director,
Regional Agriculture Research Station,
Vellayani
- **Dr. Faizal M. H.**
Research Coordinator & Professor
Department of Agricultural Entomology
College of Agriculture Vellayani
- **Dr. Allan Thomas**
Professor & Head
Department of Agricultural Extension
College of Agriculture Vellayani
- **Dr. Geetha Radhakrishnan**
Faculty Advisor (E Cell CoA Vellayani)
Assistant Professor
Department of Agricultural Statistics
College of Agriculture Vellayani
- **Dr. Safeer M. M.**
Assistant Professor
Instructional Farm, CoA, Vellayani
College of Agriculture Vellayani

Student Organizing Members

- **Mohammed Nabin** - *Overall Coordinator*, E Cell CoA Vellayani
- **T. Thajudeen** - *Overall Coordinator*, E Cell CoA Vellayani
- **Sreehari K.** - *Media and Marketing* - E Cell CoA Vellayani
- **Noor Fidha P. K. V.** - *Event and PR Head* - E Cell CoA Vellayani
- **Keerthana R. F.** - *Innovation, Research & Knowledge Management*, E Cell CoA Vellayani
- **M. Letzamon Haokip** - *Finance and Corporate* - E Cell CoA Vellayani
- **Mohamed Shubin Shaji** - *Design and Documentation*, E Cell CoA Vellayani

Volunteers

The event is supported by:

- 43 dedicated volunteers from E Cell CoA Vellayani
- 25 enthusiastic volunteers from the College of Agriculture Vellayani

Collaboration with E Cell IIT Madras

As part of this initiative, we are proud to collaborate with E Cell IIT Madras, whose insights and expertise play a pivotal role in the organization and execution of INIZIARO 2025.

Together, this diverse and passionate team is working tirelessly to ensure a successful and impactful event, fostering innovation and entrepreneurship in the agricultural sector.

College of Agriculture Vellayani

The College of Agriculture, Vellayani, established in 1955 within the former Travancore State's palace, is now a prominent agricultural institution in India. It transitioned into a key component of Kerala's Agricultural University in 1972, offering undergraduate and postgraduate education. With departments covering agronomy to rural home science, the college prioritizes practical training, exposing students to farm operations.

Its diverse research yields valuable technologies, and extension activities include collaborations with government departments and social organizations. Through initiatives like Village Adoption and N.S.S., the college plays a vital role in developing agricultural technologies, maintaining its commitment to education, research, and community outreach.

E Cell CoA Vellayani

E Cell CoA Vellayani, operating under the name "E Cell CoA Vellayani," serves as a vibrant entrepreneurial hub within the College of Agriculture, Vellayani. Focused on fostering innovation and creativity, we empower undergraduate (UG), postgraduate (PG), and doctoral (PhD) students in agriculture, biotechnology, and allied sciences to ideate and execute entrepreneurial ventures that drive transformative change in these sectors.

Under the expert guidance of our esteemed faculty advisor, Dr. Geetha Radhakrishnan, Assistant Professor (Computer Science) at Kerala Agricultural University, E Cell strives to cultivate an ecosystem where entrepreneurial thinking and sustainable innovation thrive. We serve as a bridge between students, faculty, and industry, equipping the next generation of leaders with the knowledge, mentorship, and opportunities they need to excel.

The vision of E Cell CoA Vellayani is to empower innovators, cultivate entrepreneurs, and transform the future of agriculture and biotechnology. Through its mission, the E Cell aims to foster a culture of innovation, entrepreneurship, and sustainable growth among students. It provides the tools and guidance necessary to nurture visionary leaders who are capable of driving positive changes in these fields.

INIZIARO 2025: Transforming Agriculture Through Entrepreneurship is a flagship agri-entrepreneurship summit organized by the Entrepreneurship Cell of the College of Agriculture, Vellayani, in collaboration with E Cell IIT Madras. Set to take place on the 21st and 22nd of February 2025, this two-day event is a transformative initiative designed to empower farmers, students, and aspiring entrepreneurs by fostering innovative and entrepreneurial thinking in agriculture and allied sectors. INIZIARO 2025 offers a rich array of activities, including expert-led workshops, engaging entrepreneurial boot camps, thought-provoking expert talks, exciting competitions, and interactive networking sessions, creating a vibrant platform for knowledge exchange and collaboration.

A unique highlight of INIZIARO is its strong emphasis on farmer empowerment, with all workshops and sessions being offered free of charge to farmers, ensuring their active participation in shaping the future of agriculture. The summit also welcomes students, innovators, and professionals from diverse disciplines to come together and address real-world challenges, explore groundbreaking solutions, and share visionary ideas. Through its inclusive and impactful agenda, INIZIARO 2025 seeks to inspire a new generation of leaders to transform agriculture, promote sustainability, and drive meaningful progress in creating a resilient and innovative agricultural ecosystem.

E Cell CoA Vellayani has accomplished several milestones since its inception. Recently, the cell was a finalist in the NEC Advanced Track by IIT Bombay (2025) and emerged as the winner of EDD by IIT Madras (2025). It also secured top performer recognition in the State Entrepreneurship Challenge 2025.

Previously, the E Cell won the National Entrepreneurship Challenge 2023 organized by E-Cell IIT Bombay and performed among the top 30 in the Kerala State Biodiversity Board Ideathon Challenge 2023. It achieved notable recognition in competitions such as the BioVantag Competition by the Goa Institute of Management, Udaan by NIT Kozhikode, and the Case Study competition by the Imperial School of Agri-Business, Greater Noida. Other successes include being finalists in Bizathon by IIT (ISM) Dhanbad, securing 2nd runner-up in the Innovation Arena by Delhi University, and participating in Idea Fest 2023 by Kerala Startup Mission, where the team is currently engaged in the idea acceleration program.

E Cell CoA Vellayani organizes various activities and events to promote entrepreneurship and innovation among its members. These include orientation sessions with experts like Dr. Allen Thomas, workshops on CV building and LinkedIn optimization, and unique programs such as FRESHIE INTRO and Utthaan.

In April 2024, the cell launched its flagship startup, NurtureOn, inaugurated by Anoop Ambika, CEO of Kerala Startup Mission. The creation of the Academic Pinnacle Hub further strengthened its support for students by providing valuable resources. Weekly brainstorming sessions, monthly challenges, and regular campus activities have enriched the entrepreneurial ecosystem within the college.

E Cell members continue to excel, actively participating in national-level business pitching competitions and entrepreneurial challenges. Their consistent performance and innovative spirit have earned them accolades across India. As a leading force in agri-entrepreneurship, E Cell CoA Vellayani remains dedicated to empowering students and fostering sustainable innovations for a brighter future in agriculture and biotechnology.

Vision

To revolutionize agriculture by fostering innovation, empowering farmers, and cultivating entrepreneurial solutions that create a sustainable and resilient agricultural ecosystem for future generations.

Mission

To bridge the gap between innovation and agriculture by providing farmers, students, and professionals with a platform to learn, collaborate, and implement transformative ideas. INIZIARO aims to empower farmers through knowledge-sharing and free access to advanced practices, promote sustainable agricultural solutions, and inspire entrepreneurial ventures that address real-world challenges in agriculture and allied sectors.

Key Highlights of the Event

- Entrepreneurial Boot Camps
- Expert Talks
- Mushroom Cultivation Workshop
- Microgreen Cultivation Workshop
- Hydroponics Workshop
- Smart Agriculture Workshop
- Plant Tissue Culture Workshop
- Quiz Competition
- Case Study Competition
- The Idea Pitching Competition
- Founders' Expo
- Networking Sessions

Programme Schedule

21 – 02 – 2024

Venue 1: New Academic Block, Smart Classroom V, College of Agriculture, Vellayani

09:30 - 10:45	Inaugural Ceremony	
10:45 - 11:00	Tea Break	
11:00 - 12:30	Bootcamp Session 1	Dr. K. P. Sudheer Head RAAFTAR Agribusiness Incubator
12:30 - 13:30	Lunch break	
13:30 - 15:45	Bootcamp Session 2	Aadam Ahamed Startup Enabler Kerala Startup Mission
15:45 - 16:00	Tea Break	
16:00 - 18:00	Bootcamp Session 3	Topic: Agri-related start ups
18:00 - 19:00	Quiz Competition	

Venue 2: New Academic Block, Smart Classroom VII, College of Agriculture, Vellayani

11:00 - 17:00	Workshop on Tissue Culture and Molecular Biology Techniques
---------------	---

Venue 3: Mandapam, College of Agriculture, Vellayani

10:00 - 18:00	Founder's Expo (Farmers, Students, Startups)
---------------	--

Programme Schedule

22 – 02 – 2024

Venue 1: New Academic Block, Smart Classroom V, College of Agriculture, Vellayani

10:00 - 13:00	Workshop 1	Dr. V. S. Santhosh Mithra Principal Scientist, ICAR- Central Tuber Crops Research Institute, Thiruvananthapuram	Smart Agriculture
13:00 - 14:00	Lunch break		
14:00 - 17:00	Workshop 2	Dr. Safer M. M. Assistant Professor Instructional Farm College of Agriculture, Vellayani	Mushroom Cultivation Techniques and Value Addition
18:00 - 20:00	Valedictory Function and Cultural Night		

Venue 2: New Academic Block, Smart Classroom VII, College of Agriculture, Vellayani

10:00 - 13:00	Workshop 3	Mr. Amal A Ashok Founder Evo X Farm	Hydroponics and Modern Crop Cultivation Techniques
14:00 - 17:00	Workshop 4	Mr. Sholin Saji Founder Pandora Greens	Microgreen and Advanced Technologies of Production

Venue 3: Mandapam, College of Agriculture, Vellayani

10:00 - 18:00	Founder's Expo (Farmers, Students, Startups)		
---------------	--	--	--

Venue 4: Seminar Hall, Department of Agricultural Extension Education

10:00 - 13:00		Udhbhavan – A Case Study Competition
14:00 - 18:00		Navonmesh – Idea Pitching Competition

Inauguration Ceremony

The grand opening of INIZIARO 2025: Transforming Agriculture Through Entrepreneurship will be graced by the presence of prominent leaders in the fields of agriculture, entrepreneurship, and research. The event will be inaugurated by:

Chief Guest

Mr. Anoop Ambika

Chief Executive Officer, Kerala Startup Mission

A visionary leader driving innovation and entrepreneurship in Kerala, Mr. Anoop Ambika will officially inaugurate the event and share his inspiring insights with the participants.

Dignitaries in Attendance

● **Dr. Roy Stephen**

Dean of Faculty, College of Agriculture, Vellayani

● **Dr. K. N. Anith**

Associate Director, Regional Agriculture Research Station, Vellayani

● **Dr. Faizal M. H.**

Research Coordinator & Professor, Department of Agricultural Entomology, College of Agriculture, Vellayani

● **Dr. Allan Thomas**

Professor & Head, Department of Agricultural Extension, College of Agriculture, Vellayani

● **Dr. Geetha Radhakrishnan**

Faculty Advisor, E Cell CoA Vellayani, Assistant Professor, Department of Agricultural Statistics, College of Agriculture, Vellayani

● **Dr. Safer M. M.**

Assistant Professor, Instructional Farm, CoA, Vellayani, College of Agriculture, Vellayani

This inaugural session marks the beginning of a transformative journey, bringing together academia, industry, and farmers to drive innovation and entrepreneurship in agriculture.

Workshops: A Hands-On Learning Experience

The workshops at INIZIARO 2025 are designed to provide in-depth, practical knowledge, catering to various interests and expertise in the field of agriculture and entrepreneurship. These workshops, led by seasoned experts, aim to empower participants with the skills and tools needed to innovate and excel in their respective fields.

All workshops are free for farmers, emphasizing the inclusivity and support for the agricultural community. For other participants, nominal registration fees apply. Certificates will be provided to all registered attendees upon successful completion of their chosen workshops.

Day 1: 21st February 2025

PLANT TISSUE CULTURE WORKSHOP

- Time: 9:00 AM – 5:00 PM
- Overview: This intensive full-day workshop will introduce participants to the fundamentals and advanced techniques of plant tissue culture, including micropropagation, cell culture, and cloning. Ideal for students, researchers, and professionals keen on exploring biotechnological applications in agriculture.
- Fee: ₹1000 for non-farmer participants.
- Venue: College of Agriculture, Vellayani.

Day 2: 22nd February 2025

Workshops on Day 2 will run in parallel, divided into morning and afternoon sessions. Each workshop requires individual registration.

Morning Session Workshops (9:00 AM – 1:00 PM)

HYDROPONICS

- Dive into soilless farming techniques and learn how to grow crops efficiently using nutrient-enriched water systems. This workshop will highlight the basics of hydroponic systems, benefits, and practical implementation strategies.
- Fee: ₹250 for non-farmer participants.

SMART AGRICULTURE

- Discover the potential of technology in agriculture with a focus on IoT, precision farming, and data-driven solutions. Participants will gain insights into optimizing farm productivity and sustainability through smart solutions.
- Fee: ₹250 for non-farmer participants.

Afternoon Session Workshops (2:00 PM – 6:00 PM)

MICROGREEN CULTIVATION

- Learn how to grow nutrient-dense microgreens effectively, exploring various types, growing methods, and their commercial potential. This workshop is perfect for budding entrepreneurs looking to start small-scale ventures.
- Fee: ₹250 for non-farmer participants.

MUSHROOM CULTIVATION AND VALUE ADDITION

- Gain hands-on experience in cultivating mushrooms and learn techniques for value addition, such as creating mushroom-based products. This workshop aims to empower participants to explore sustainable income opportunities.
- Fee: ₹250 for non-farmer participants.

Key Details for Workshops

- **Venue:** College of Agriculture, Vellayani
- **Registration Fee:**
 - Free for farmers.
 - ₹250 per workshop for students and professionals (₹1000 for the Plant Tissue Culture Workshop).
- **Certificates:** Provided to all registered participants.
- For registration or additional queries, please contact:
 - **Keerthana: 82814 67473**
 - **Mohammed Nabin: 98956 65906**
 - **T. Thajudeen: +91 88482 33236**
- These workshops offer an excellent opportunity to gain hands-on knowledge, network with experts, and stay updated on innovative practices in agriculture and related fields. Don't miss the chance to be part of this transformative experience!

Entrepreneurial Boot Camp

The Entrepreneurial Boot Camp at INIZIARO 2025 is designed to ignite the entrepreneurial spirit among participants, equipping them with the tools, knowledge, and inspiration needed to embark on transformative journeys in agriculture and agribusiness. This highly interactive and impactful session is open to all, with free entry for farmers to ensure maximum inclusivity and empowerment. Other participants can register for a nominal fee, with certificates awarded to all registered attendees.

The Boot Camp features four engaging sessions led by renowned experts from diverse fields, providing participants with valuable insights into various aspects of entrepreneurship, agribusiness, and innovation.

The first session, led by Dr. K. P. Sudheer, Head of the RAAFTAR Agribusiness Incubator, takes place from 11:00 AM to 12:30 PM. Dr. Sudheer will explore the intricacies of agribusiness incubation, offering valuable guidance on turning innovative ideas into scalable ventures. His session will emphasize the critical role of entrepreneurship in driving growth and sustainability within the agricultural sector. Following a lunch break from 12:30 PM to 1:30 PM, the second session, from 1:30 PM to 3:00 PM, will feature a speaker specializing in agri-value addition startups. This session will focus on innovative approaches to adding value to agricultural produce, creating profitable business models, and bridging the gap between farmers and markets.

After a short tea break from 3:00 PM to 3:15 PM, the third session, held from 3:15 PM to 4:45 PM, will be conducted by Aadam Ahamed, a Startup Enabler with the Kerala Startup Mission. Aadam will share his experiences in navigating the challenges of the entrepreneurial ecosystem and provide practical insights on leveraging resources to build successful startups.

The final session, scheduled from 4:45 PM to 6:00 PM, will be led by an expert speaker from IIT Madras. This session will explore innovation-driven entrepreneurship, showcasing cutting-edge ideas and pathways to integrate technology into agriculture for maximum impact and sustainability.

The boot camp is free for farmers, ensuring inclusivity and empowerment, while other participants can register for a nominal fee (Rs. 500/-). Certificates will be provided to all registered attendees. This boot camp is a stepping stone for aspiring entrepreneurs, farmers, and professionals, equipping them to contribute meaningfully to the transformation of agriculture through innovation, value addition, and sustainable practices.

Udbhavan

Case Study Competition

As part of INIZIARO 2025: Transforming Agriculture Through Entrepreneurship, the Entrepreneurship Cell of the College of Agriculture, Vellayani, in collaboration with E Cell IIT Madras, is proud to present Udbhavan: The Case Study Competition. This exciting and intellectually stimulating competition aims to challenge participants to devise innovative and practical solutions to real-world agricultural and entrepreneurial challenges. Udbhavan offers participants a unique opportunity to hone their problem-solving skills, gain recognition, and compete for cash prizes and certificates.

Competition Guidelines

1. Team Composition:

- Teams must consist of 2 to 4 members.
- All members should belong to the same college, but inter-year teams are allowed.

2. Registration:

- Registration must be completed on the Unstoppable platform.
- The last date for registration is 5th January 2025.

3. Problem Statement & Submission:

- The problem statement will be made available on the Unstoppable platform post-registration.
- Teams must submit their case study solutions by 10th February 2025.

4. Solution Format:

- Submissions must be in the form of a 5-slide PowerPoint presentation (PPT), excluding the cover slide and appendix.
- AI-generated solutions will result in disqualification.

5. Evaluation & Results:

- The evaluation process will assess creativity, feasibility, and practicality of the solutions.
- Results will be announced on 12th February 2025, and selected participants will be notified on the same date.

6. Event Schedule:

- The final presentation round of the competition will be held on 22nd February 2025, during INIZIARO 2025.

7. Prizes & Recognition:

- Winners will receive cash prizes and certificates.
- Participants will also get an opportunity to showcase their innovative ideas to industry experts and mentors, providing a platform for future growth.

Why Participate?

1. Develop and demonstrate your problem-solving skills.
2. Gain valuable insights into real-world agricultural challenges.
3. Network with industry leaders, mentors, and like-minded peers.
4. Earn recognition and compete for exciting cash prizes.

Contact for Queries

For any questions or clarifications regarding the Case Study Competition, feel free to reach out to:

navonmesh

The Idea Pitching Competition

Embark on a transformative journey of creativity, innovation, and collaboration with Navonmesh: The Idea Pitching Competition, a premier event under the banner of INIZIARO 2025: Transforming Agriculture Through Entrepreneurship. Organized by the Entrepreneurship Cell of the College of Agriculture, Vellayani, in collaboration with E Cell IIT Madras, this competition aims to bring together dynamic minds from across the country to redefine agricultural and entrepreneurial solutions.

Unlike traditional competitions, Navonmesh thrives on diversity and innovation. It encourages participants from different colleges, streams, and academic years to unite, collaborate, and develop impactful solutions. The unique three-stage format—combining quiz rounds, ideation, and pitching—challenges participants to think critically, work as a team, and innovate boldly while addressing real-world challenges in agriculture and business.

Join us on 22nd February 2025 at the College of Agriculture, Vellayani, for an opportunity to compete, collaborate, and turn your groundbreaking ideas into reality. With cash prizes and certificates on the line, Navonmesh is not just a competition—it's a celebration of ingenuity and entrepreneurial spirit!

Team Formation

- Teams can consist of 1 to 4 members.
- Members can be from the same or different colleges.
- Interdisciplinary teams (from different streams or academic years) are highly encouraged.

Event Date and Venue

- **Date:** 22nd February 2025
- **Venue:** College of Agriculture, Vellayani

Competition Format

Stage 1: Quiz Rounds

- Teams will participate in three quizzes covering topics such as entrepreneurship, marketing, business, startups, and agriculture.
- After each round, teams will be ranked, and based on their rank, they will select one keyword from a pool of 30.
- By the end of this stage, each team will have three keywords to use in the next round.

Stage 2: Ideation and PPT Creation

- Teams will have three hours to develop an innovative idea using their selected keywords.
- The idea must be presented in a PowerPoint presentation (PPT) format.
- Judging criteria include creativity, feasibility, and alignment with the event themes.

Stage 3: Pitching

- Teams will present their ideas to a panel of expert judges in a 5-minute pitch, followed by a 3-minute Q&A session.
- Judges will evaluate based on innovation, clarity, practicality, and impact.

Why Participate?

- Test your entrepreneurial skills in a dynamic, competitive environment.
- Collaborate with like-minded individuals from diverse academic backgrounds.
- Gain exposure to real-world challenges in agriculture and business.
- Compete for cash prizes and certificates, and showcase your ideas to a panel of experts.

Are You Ready?

Are you prepared to test your entrepreneurial mettle, push the boundaries of innovation, and create impactful solutions? Join Navonmesh and embark on a journey where your ideas turn into opportunities!

Take the stage, showcase your creativity, and leave your mark on the world of agri-entrepreneurship at Navonmesh: The Idea Pitching Competition!

Poster

The poster is for a quiz competition. At the top left is the E-Cell IIT Madras logo with the text 'E-Cell IIT MADRAS Promoting Entrepreneurship at IIT Madras'. At the top right is the logo of the College of Agriculture Vellayani. The main title is 'E Cell CoA Vellayani' in large orange letters. Below it, in smaller text, is 'In Collaboration with E Cell IIT Madras Proudly Presents'. The central graphic features two stylized human heads in profile, one orange and one blue, with gears of various colors (orange, blue, green) floating above them. The word 'QUIZ' is written in large white letters on a blue rectangular background. Below this, it says 'CHALLENGE YOUR INTELLECT AND WIN EXCITING PRIZES!'. The date and time are '22 FEBRUARY 2025 04.00 PM - 06.00 PM', with a calendar icon. At the bottom, a location pin icon is followed by 'College of Agriculture Vellayani'. The footer contains contact information: a phone icon with '9497141763, 7902405447', an email icon with 'ecell.coa.vellayani@gmail.com', and a website icon with 'https://coavellayani.kau.in/e-cell'.

Founder's Expo: Showcasing Innovation and Entrepreneurship

As part of INIZIARO 2025: Transforming Agriculture Through Entrepreneurship, we proudly present the Founder's Expo, a dynamic platform where students, startups, and farmers can come together to showcase their innovative ideas and products. This two-day event, scheduled for 21st and 22nd February 2025 at the College of Agriculture, Vellayani, offers an exceptional opportunity to gain visibility, network with industry experts, and promote entrepreneurial ventures in the agricultural sector. The expo is designed to bridge the gap between entrepreneurs and potential investors, collaborators, and customers.

This year, the Founder's Expo will be open to a diverse range of participants, including students, startups, and farmers. Farmers can exhibit their agricultural products and innovations completely free of charge, providing them with a valuable opportunity to gain recognition and connect directly with the entrepreneurial community. Students with innovative product ideas or startup concepts, as well as early-stage or established startups, can also participate and promote their ventures.

By participating in the Founder's Expo, you can showcase your innovation, engage with like-minded individuals, and network with industry professionals. This event offers an excellent opportunity to gain valuable market exposure and receive constructive feedback on your product or startup. Additionally, all participants will be awarded a Certificate of Appreciation recognizing their contributions to innovation in agriculture and entrepreneurship.

The Registration Fee for students is ₹100, and for startups, it is ₹500. The registration deadline is 15th February 2025, so make sure to register early to secure your space. Participants are encouraged to arrange any materials or displays required for their stall and be prepared to explain their products or ideas to attendees.

For further inquiries or assistance regarding registration, feel free to contact the following:

- Keerthana: 8281467473
- Mohammed Nabin: 9895665906
- T. Thajudeen: 8848233236

Celebrate innovation, connect with pioneers, and take your ideas to new heights at the Founder's Expo!
