The necessary superscription, due date for the receipt of tenders, the date up to which the rates will have to remain firm for acceptance and the name and address of officer to whom the tender is to be sent are noted above. Any tender received after the time fixed on the due date is liable to be rejected. The maximum period required for completion of the articles/ completion of work should also be mentioned. Tenders not stipulating period of firmness and with price variation clause and/or 'subject to prior sale' condition are liable to be rejected.

The acceptance of the tenders will be subject to the following conditions:

1. Withdrawal from the tender after it is accepted or failure to complete within a specified time or according to specifications will entail cancellation of the order and purchases being made at the officers expenses from elsewhere, any loss incurred

thereby being payable by the defaulting party. In such an event the University reserves also the right to remove the defaulter's name from the list of University suppliers permanently or for a specified number of years.

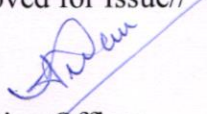

2. Samples, duly listed, should be forwarded if called for under separate cover and the unapproved samples got back as early as possible by the offerers at their own expenses and the University will in no case be liable for any expenses on account of the value of the samples or their transport charges, etc. In case, the samples are sent by railway; the railway receipt should be sent separately, and not along with the tender since the tender will be opened only on the appointed day and demurrage will have to be paid if the railway parcels are not cleared in time. Tender for the supply of materials are liable to be rejected unless samples, if called for of the materials tendered for are forwarded. The approved samples may or may not be returned at the discretion of the undersigned. Samples sent by "freight to pay" will not be accepted.
3. No representation for enhancement of price once accepted will be considered during the currency of the contract.
4. Any attempt on the part of bidder or their agents to influence the Officers concerned in their favour by personal canvassing will disqualify the firms.
5. If any license or permit is required, quotationers must specify in their tender and also state the authority to whom application is to be made.
6. The tender may be for the entire or part supplies/entire work. But the tenderes should be prepared to carry out such portion of the supplies included in their tender as may be allotted to them.
7.
  - a) In cases where a successful bidder, after having made partial supplies fails to fulfill the contracts in full, all or any of the materials not supplied may, at the discretion of the Purchasing Officer be purchased by means of another tender or by negotiation or from the next higher tenderer who had offered to supply already and the loss, if any, caused to the University shall thereby together with such sums as may be fixed by the University towards damages be recovered from the defaulting tenderes.
  - b) b. Even in cases where no alternate purchases are arranged for the materials not supplied, the proportionate portion of the security deposit based on the cost of the materials not supplied at the rate shown in the tender of the defaulter shall be forfeited and balance alone shall be refunded.
  - c) Any sum of money due and payable to the contractor (including Security Deposit returnable to him) under this contract may be appropriated by the Purchasing Officer or any other person authorized by University and set-off against any claim of the Purchasing Officer or University for the payment of a sum of money arising out of or under any other contract made by the contractor with the Purchasing Officer or any other person authorized by University.
8. The prices quoted should be inclusive of all taxes, duties, cesses, etc., which are or may become payable by the contractor under existing or future laws or rules of the country of origin/supply or delivery during the course of execution of the contract.
9.
  - a) Ordinarily payments will be made only after the supplies are actually verified and taken to stock/ or proper checking and certification from competent authority from RARS Pilicode. Bank charges incurred in connection with payment against documents through bank will be to the account of the contractor. The firms will produce stamped pre-receipted invoices in all cases where payments are made through Banks. In exceptional cases where the stamped receipts of the firms are not received for the payments the unstamped receipt of the Bank (i.e. counterfoils of pay-in-slips issued by the Bank) alone may be accepted as a valid proof for the payment made.

- b) The tenderes shall quote also the percentage of rebate (discount) offered by them in case the payment is made promptly within fifteen days/within one month of taking delivery of stores.
10. Any sum of money due and payable to the successful bidder or contractor from University shall be adjusted against any sum of money due to University from him under any other contracts.
11. Special conditions, if any, printed on the tender sheets of the tenders or attached with the tender will not be applicable to the contract unless they are expressly accepted in writing by the purchaser.
12. All rules applicable to Government quotations will apply.
